

GREAT SKI TRIPS PLANNED FOR 2010

The final arrangements for the Snowseekers ski trips for 2010 are completed. Your trip committee has planned three Western trips and one Midwestern trip. Please note the number of reservations (in parentheses) available for each trip. We need your first payments for the trips of your choice **NOW** since the initial deposits for our trips have already been paid. Remember, you must be a paid member to go on a trip!! The membership dues are to be paid along with your initial, nonrefundable, trip deposit. **You will be added to a trip when your fully completed membership, waiver, and registration forms, along with your nonrefundable deposit, have been received.**

Please help us meet our deposit and payment schedules so that our club does not incur any penalty charges or have to cancel any trip. (See below for details regarding cancellation policies.) Failure to make payments on time may cause you to be replaced by someone on a waiting list (see the registration form).
