Snowmass Update

Grace Milks got the Grand Champion Gold Winner over both US and International groups. She was the only racer in at 16.89 seconds, the other girls were all over the 17 second mark. This is her third year winning Gold in her group. Stay tuned for more details and a full story.

President

Hello Snowseekers,

We have had a fun month with the snow in February. The weekend of Feb. 10-11th was great snow and a fun time at Wilmot's anniversary celebration. Monday Feb. 12th many of the club got to ski with Sports America sponsorship for the day. For Al and I it was the best skiing at Wilmot EVER. On Tuesday, Feb.13th the club met for a social gathering at Wilmot (picture below) with 10 members showing. It was another good night of skiing for a few and great gathering for us just to talk. On Valentine's Day Al, I, Evelyn, and Darwin went to the special dinner at Walt's Tavern located at Wilmot. It was a terrific meal and we encourage you to think about Walt's Tavern for special occasion dinners in the future. No it was not advertised. We will try to emphasize their dinners in the future next year.

Our next trip to Snowmass is taking place right now. Conditions are great as they had a sizable amount of snow in the weeks prior to our arrival. March brings our meeting on the 13th at Gino's East, 6:30 Pizza, 7:00 meeting, with a presentation of ski areas we have not visited. All comments and suggestions will be forwarded on to the trip committee for their final 2019 trip considerations. My concert is also with LFCO on March 11, 4:00 p.m., Groton Center in Lake Forest.

Evelyn has planned an evening with the Lake County College Theater on Mar. 2nd. Please let her know if you are interested in attending. We are trying to find interesting activities for many to participate in. Your suggestions are always welcome. Thank you again for your support in keeping our club active.

Our second photo with more members did not turn out well.

Snowseekers elections are coming up. Offices available for election this year are Trip coordinator, Treasurer, and Ski Master. We called for nominations in the Feb. newsletter and I have not heard of anyone interested in these positions other than the present office holders. Stu Howes will run for trip coordinator, Ron Hodapp for Treasurer, and Ross Stangel for Ski Master. Unless someone comes forward to run against these candidates the above will be our slate for nomination this year. In April we will present these individuals for voting. If there is no objection by notice to the board, the board will approve this slate.

Respectfully Submitted, Janet Billings, President, Snowseekers

From the Trip Coordinator:

The next regular ski club meeting is scheduled for Tuesday, March 13th. A program about future ski trips is on the agenda.

A number of destinations for the 2019 & 2020 Western trips are currently being reviewed by the Snowseekers trip committee. Please let the trip committee know of any special areas you would like them to review for possible future ski trips. Areas where a destination day could be added to the trip are of interest to the trip committee. Lower altitudes are also an important consideration.

I realize that this is late notice, but ask that you review the 2019 / 2020 trip survey attached with this newsletter article. Please try to send your completed survey to me prior to our March 13th regular meeting. Feel free to email or fax the completed survey to me at the locations shown on that attachment.
