President

Hello Snowseekers,

April is a quiet month for us. Our Avalanche party will be in May which is a busy month for most with graduations, concerts, birthdays, and our end of the season celebration.

At our March meeting many suggestions were presented for considering a new ski area for our west trip next year, things we must keep in mind for our present membership, and comments from all critiquing the areas presented.

After our trip committee attends their CMSC seminar and decides our next trip, we will hold a board meeting and hopefully a picnic for all on the same day. We have multiple items to discuss as to future meeting locations, number of meetings, and topics for next year.

Rick Pasturczak has included an article in this newsletter and I encourage you to patronize his business if you need any equipment or clothing for next year's ski season. He has graciously offered his business for our September 2018 meeting to discuss merchandise available for the upcoming season.

We also have been notified of CMSC summer picnic at Norge Ski Hill which will be August 18, 2018. This is a free event and they hope to have one of the ski jumpers who made the Olympic team this winter, demonstrate their skills. Please watch for the flyer and call in your reservation. It is a fun day with games, ski jump demonstrations, and an opportunity to make new friends.

Your Snowseekers President, Janet Billings

Social Chair

Hello Snowseekers,

My last day of skiing was March 16th at Wilmot. What a beautiful day spent with Darwin and Kathy! And the snow was great too.

From the Trip Coordinator:

The current ski trip schedule for 2019 is:

January 4-6, 2019—Devil's Head, Wisconsin:
Western Trip--Undecided

In the January, February, and March club newsletters you received information about the plans being reviewed by your Trip Committee for the future two years trips (2019 and 2020). You also received a trip survey to give the Trip Committee your thoughts about what you would like to see in the future.

We thank those who replied to the survey for their input. If you would still like to send a completed survey to me (see attachment with this newsletter) please do so as soon as possible. The Trip Committee will be attending the annual trip seminar sponsored by the Chicago Metropolitan Ski Council on May 19th. We will be looking for future great ski trips at the best prices available.

Thanks again for supporting the Snowseekers Ski Club and for participating in our planned ski trips.
