President

Our February meeting at Wilmot was a pleasant evening with just a few members in attendance as seen in the accompanying picture. We continue to try scheduling activities for members to attend and find difficulty in enticing participants to join a select few.

March is highly anticipated for our Sun Valley trip. Even though there is a smaller group attending this outing we expect a great time. I also have two concerts coming: March 10th is the Lake Forest Civic Orchestra concert at Gorton Auditorium in Lake Forest at 4:00 and March 17th is the Waukegan Symphony concert at Waukegan High School on Brookside at 4:00. These are inexpensive fine performances that you may enjoy and I appreciate the support.

Right after we return from Idaho there is a planned meeting March, 12th at 7:00, O'Tooles in Libertyville. There will be a Snowseeker board meeting at 5:30. Following the board meeting we will have burgers and salad available at 6:30 for all members. John Snow has arranged a speaker for this meeting to present the topic of our climate change and how it may affect our skiing in the future. Please plan on attending to show support for our guest speaker.

Our Avalanche end of the year banquet has been planned for May. This is also my last event as President. I encourage you to attend and support those who have put this dinner together and thank the outgoing officers as well as welcome those that will be installed into their offices. On that note as President, I announce the slate of officers for the coming year:

President: Open

Vice President: John Snow

Recording Secretary: Open

Corresponding Secretary: Craig Nelson

I still encourage members to consider filling the open offices. If there are no negative votes by email to me (billings996@comcast.net) by April 15th, the Snowseekers board will accept these individuals for their

respective offices. The Snowseekers board will deal with the open offices at their discretion after the April 15th deadline.

There will NOT be an April meeting and I will see you in May.

Thank you for your diligence and interest.

Your President, Janet Billings

Happy March everyone,

Our Avalanche Party date has been set for Saturday, May 11, 2019 at the Center Cut Restaurant in Grayslake, IL. Some of our members have eaten there and liked the food and atmosphere. More information will be in the next newsletter.

Oedipus Rex by Sophocles is playing at CLC. Thursday, March 7th is another Buy One Get One Free ticket date or we could go on the 8th if that date is better for more people. The play concerns a city suffering from plague and ruin ruled by a proud king who wants to save his city and solve the murder of the king before him. Let me know ASAP so I can get tickets.

In mid-April CLC's theater students put on selections of short plays of their choice. It is called Play On! These plays have been fun to serious. Which is best for you, Saturday the 23th or Friday the 19th. We have a few weeks to make up our minds.

Enjoy Sun Valley and give us a report and show us pictures at the next Snowseekers meeting.
