### From the Trip Coordinator:

**April, 2020**

**Thank you to all of our ski trip participants who participated in the Devil’s Head, WI and Snowmass, CO trips. We hope to see you all again on a Snowseekers trip next ski season.**

Because of the current Coronavirus Pandemic, the Snowseekers Ski Club trip committee has been unable to meet in person. However, the committee is reviewing several quotes for a Western ski trip in 2021. We hope to finalize the details for the Western 2021 ski trip very soon.

We are also in the planning stages for our annual weekend ski trip to Devil’s Head Resort in Wisconsin. The plans are to have the trip from January 8 to 10, 2021. The New Year’s Eve celebration at the resort is planned for January 1 thru 3, 2021, so our ski weekend will be a week later. Final trip details will be available in the very near future.
