SNOWSEEKERS.ORG

Hello Snowseekers,

We have our next Snowseeker meeting at Libertyville O'Tooles on Tuesday, Feb. 11th, 6:30 food available, followed by a game night. Since many of our officers will be absent there will not be business transacted at this meeting, just a fun social evening. This is the last meeting for the 2019-20 season. All Snowmass information will be passed along to trip participants by Stu on email. Keep a watch for this information in the near future.

Randy Wunder has asked that we publish his latest encounter with Williams Ski and Patio, which was very efficient in replacing a broken buckle on his ski boot. He asked that we consider using Williams and ask for Chad Kruger who gave him excellent service. Williams is located at 1672 Old Skokie Rd., Highland Park, Il. 60035. I would also like to remind you of Alpine Accessories at 9219 South State Rt. 31, Lake in the Hills, Il. 60156. The owner, Rick Pasturczak and his wife Laurie have been Snowseeker members in the past and Rick has spoken at several of our meetings over the last years. Both shops have excellent inventory, service, and new gear. Personally, my skis had wobbly bindings and rather than go on I chose to buy new skis and bindings at Alpine Accessories. I look forward to our west trip in trying out these new skis with their challenges.

For my other love, "MUSIC" I post my upcoming concerts. On February 22nd from 11:00-12:00 The Waukegan Symphony will have a children's concert at the Waukegan Public Library. This program will have Prokofiev – Troika, Prokofiev – Peter and the Wolf, Copland – Lincoln Portrait, Copland – Hoe Down. Tickets are available at the door and children are free.

Next, The Lake Forest Civic Orchestra will perform Sunday, March 8, 4pm, at Gorton Center in Lake Forest. This program will feature Gillespie – The Noise from Bromius, Beethoven – Symphony No.5, Beethoven – violin concerto in D. Major. Tickets are available at the door. I hope you find something in this letter to peak your interest. Stay safe in this cold weather, come support my passions, and see our friends at the meeting or skiing.

Jan Billings, Past President.

Devil's Head Resort, Wisconsin Annual Weekend Ski Trip

The annual weekend trip to Devil's Head Resort in Wisconsin was a great success this January according to all reports from those who attended the trip. The skiing conditions were very good even though natural snow totals were low. The Snowseekers Ski Club provided pizza on Friday evening and a cocktail hour Saturday evening for those who were staying overnight. The events were well received by everyone. We will arrange to do this again for next year's trip.

Devil's Head 2021 Weekend Trip
January 8 to January 10, 2021

Details of this annual ski trip will be finalized very soon. This is a good weekend trip to learn to ski or snowboard, or to **learn to ski or snowboard better**, since beginner and intermediate lessons are free. It is also a good time to have fun and fellowship with family and friends. Please join us for this annual weekend Snowseekers ski trip.
